

## ACCESS AND PARKING

**Our hotels are located on the lake promenade of Ascona, in the pedestrian area. For check-in/check-out, access by vehicle is permitted for hotel guests.**

This is how you can reach us:

1. Coming from Locarno, drive along *Viale Monte Verità* until you reach the square by the post office building (GPS: *Via Borgo 1, 6612 Ascona*).
2. Drive straight ahead into *Via Borgo*. The access to the street is controlled through a bollard (🚗📞).
3. Select «HOTEL» on the display of the communication pillar at your left and then the name of our hotel. You will be connected with the reception (8am-9pm) and the bollard will be lowered via remote communication.
4. Drive straight ahead along *Via Borgo* to the lake and when you reach the lake turn left towards the lake promenade (*Piazza G. Motta*). After about 200m you will reach the Hotel Piazza (opposite the landing stage for excursion boats). Here you will find the reception desk where you can register for check-in.

### Parking facilities:

Drive to the end of *Piazza G. Motta*. The bollard at the exit is regulated by a traffic light. When approaching, the traffic light automatically turns yellow and the bollard is lowered into the ground.

On your right side you will find the public parking lot "*Lungolago/Angioli*". On the left, along *Via Circonvallazione* you will reach at the next traffic circle on the right side the car park "*al Lago/Migros*".
